

Making a difficult time a little easier.

Planning a funeral can often be an overwhelming task for family members. There are hundreds of decisions to be made and arrangements to confirm. As a member of the Public Employees Federation Member Benefits Program (PEF MBP), a Dignity Memorial® Funeral Benefit partner, you and your extended family are eligible for a range of benefits that can help alleviate the financial and emotional burdens of planning a funeral.

A Dignity Memorial representative can show you how to use these benefits to assist aging family members in making their final arrangements, plan your own service in advance or respond to an unexpected death.
