

Update Your Beneficiaries!

The arrival of the new year is the perfect time to review and update your beneficiary information. Life changes—marriage, divorce, new children, or grandchildren can all impact who you want protected. Making sure your beneficiaries are up to date helps ensure that your policy's death benefit payout goes exactly where you intend, giving you and your loved ones peace of mind. If you have Group Term Life Insurance made available to you through SunLife and PEF MBP, this insurance requires that you provide beneficiaries. Be sure to take the time now to review and update your current beneficiaries listed in case an update is needed.

Please note: updating your beneficiaries with NYS does not update your beneficiaries with PEF MBP.
